Session Information

Our Programme:

At Super Star Sport we are proud to introduce our new Football Tots programme based around children from 2yrs- 7yrs old. These FUN football sessions are for children looking to take part in regular football sessions, develop and improve their basic football skills and as they move up the age groups and introduce them to match play. Our main aim with all our tots is to help develop a positive and lifelong relationship with sport and exercise and we believe we have created a fantastic programme that helps support this throughout our sessions.

2 - 3.5 YEARS

- Introduction to structured, coach led sessions whilst in a group of similar ages.
- Improving key skills your child will use throughout their lives such as co-ordination, spatial awareness and gross-fine motor skills.
- Lots of fun and active games that involve running round kicking the balls and interacting with the other children.
- Practising children's counting shapes and colours in a fun and active way.
- Learning key differences between big kicks (shooting) and little kicks (dribbling) and the different parts of our feet we use to do these different

3.5 - 5 YEARS

- Introduction to basic football drills involving shooting, dribbling, tackling, goalkeeping and passing
- Introducing some partner drills or small groups to help develop team work and the children's understanding of space.
- Fun team based games that help improve speed, agility, coordination and balance
- Continued development of key skills your child will use throughout their lives such as co-ordination, spatial awareness and gross-fine motor skills.

5 YEARS +

- Introduction to team based attacking and defending tactics and drills.
- Understanding the basic rules of football to work towards match play.
- Learning how to work as a team in a match and try some of the different positions in the team.
- Introducing set pieces e.g. throw ins, corners, goal kicks, free kicks.
- Developing sportsmanship and a positive sporting mentality that's not just based on winning.

Benefits:

- Improved physical activity that they think is FUN and look forward to every week.
- Helping to achieve their daily gov recommended exercise goals of 60 minutes exercise a day.
- Improved mental health and wellbeing by taking part in regular activities.
- Improved social and emotional skills by taking part in activities with other children of a similar age group and working together.
- Improved confidence in taking part in other sports either in school or other extra curricular activities.
- Develop all the basic individual skills needed to play football as well as working towards improving team based skills to get ready for match play as they develop up the age groups
